

Sausage Fest 2009

We All Make It Happen . . . Faith, Service, Community

Arts & Crafts

There it is before you - the whole summer! Plenty of time to plan and make your crafts for the Sausage Fest Arts and Crafts room. Remember last year, when you waited until the last minute and didn't have time to make everything you wanted? Now is the time!

There will be a classroom contest as usual this year. In addition to the 1st, 2nd and 3rd place prizes for the whole contest, there will be weekly classroom prizes. At the end of each week, the classroom which has brought in the most quality crafts for **that week** will receive the weekly class prize. The contest will start the first day of school. Boxes will be located in each of the classrooms.

Remember, if you are not the crafty type, enlist your relatives, friends and neighbors to make crafts to donate. If you need help with crafts supplies or would like a craft kit, please contact Annette Lewis at 946-3937 or Jane Winslow at 627-6490.

A list of what sold well and didn't sell well from last year is available upon request. This may help give you some ideas of things to make this summer.

Let's make 2009 the *craftiest* Sausage Fest ever!
